Warp or Twist**

**Several Prefinished
Options Available**

WHY SILVAPOST & BEAM®?

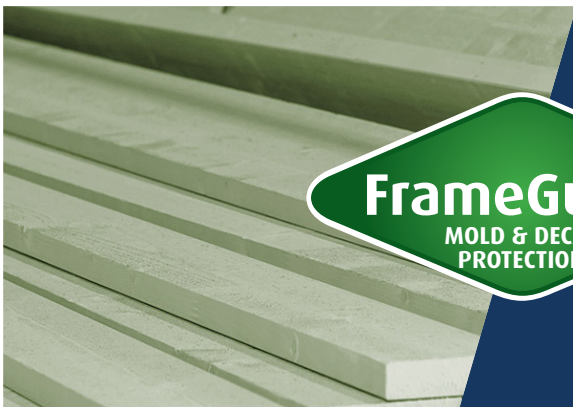

We think the best way to answer that question is with another question: “How valuable is consistent quality?” For most of us, value is expressed as the combination of price, quality, and service. We believe that while price gets you in the door, quality and service keep you on the job. We provide quality products, and stand behind them with no reservations.

KEY FEATURES:

- Certified for horizontal and vertical use
- Kiln Dried SPF Finger Jointed and/or edge glued and laminated structural posts and beams giving a completely unique look
- Can be used indoors or outdoors
- Can be cut and shaped into any design
- Available in smooth or textured (pictured on left)
- Available in clear sealed or brown primed with options for prefinished (send us pictures of your finished jobs!)
