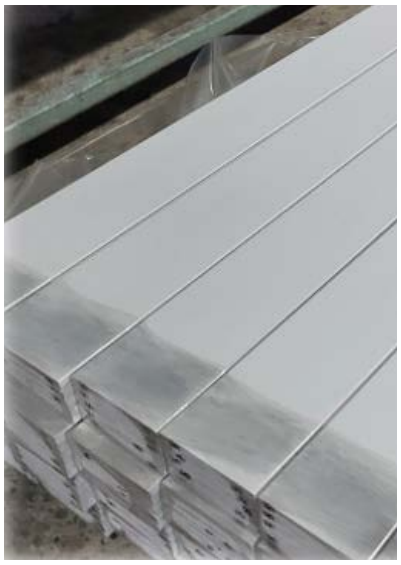
WHY SILVACEDAR™?

We think the best way to answer that question is with another question: “How valuable is consistent quality?” For most of us, value is expressed as the combination of price, quality, and service. We believe that while price gets you in the door, quality and service keep you on the job. We provide quality products, and stand behind them with no reservations.



KEY FEATURES:

- Clear, vertical grain, Western red cedar
- KOMO certified factory and glue
- Factory applied, double coat of Sherwin Williams oil-based primer
- Adhesive class AD2339 exterior rated
- Rigorous quality control and testing
- Sustainably sourced
