

SilvaCedar 

ENGINEERED CLEAR VERTICAL PREMIUM GRAIN WESTERN RED CEDAR

SilvaCedar™ offers clear vertical grain Western Red Cedar, finger jointed and edge glued boards and pattern stock. This results in superior durability, and aesthetic appeal, enhancing the overall quality of your projects. SilvaCedar™ uses KOMO certified glue, and a state-of-the-art factory applied priming process, guaranteeing superior quality and durability.

**Superior Stability
and Durability**

**Clear Vertical Grain
Western Red Cedar**

**KOMO Certified
Factory and Glue**

WHY SILVACEDAR™?

We think the best way to answer that question is with another question: “How valuable is consistent quality?” For most of us, value is expressed as the combination of price, quality, and service. We believe that while price gets you in the door, quality and service keep you on the job. We provide quality products, and stand behind them with no reservations.
