

SilvaTrim®

WOOD TRIM & FASCIA

Available in smooth, resawn, and combed options, our premium primed trim that is coated with anti-fungal and anti-mold inhibitors has no holes, loose knots, or wane. Additionally, if you're looking to get your SilvaTrim® color matched to your SilvaWood® fiber cement siding, you can choose from any of the SilvaWood® swatches.

HOW VALUABLE IS CONSISTENT QUALITY?

For most of us, value is expressed as the combination of price, quality, and service. We believe that while price gets you in the door, quality and service keep you on the job. We stand behind our products, guaranteed. You can read about our straightforward, no-nonsense warranty on our website silvastar.com.

WHY SILVATRIM®?

What you see is what you get. The trim package is the finishing touch. It gets noticed and it sends a message. What message do you want to send?

| NOMINAL DIMENSIONS | LENGTHS | PATTERN |
|------------------------|-----------|--|
